## **October 2015 JOB POSTINGS**

### **SENIOR CENTER**

#### **Maintenance Technician**

##### **Job Summary**

The Maintenance Technician has the overall responsibility to ensure building and equipment are in compliance with state and federal regulations; ensure timely execution of repairs and maintenance; maintain a high standard of building and property appearance; execute a preventative maintenance program focused upon minimization of equipment/building breakdown and repair/replacement expense.

##### **Minimum Qualifications**

2 years' experience in skilled maintenance; commercial facility preferred. Must demonstrate proficiency with most commonly used hand and power tools. Applicant must be physically capable of performing job related tasks such as prolonged standing, lifting heavy items and snow removal, etc. Strong time management skills and ability to multi-task is required. Working knowledge of computers is desired. Background check required. Applications with resume, social security card and government issued ID are accepted until position is filled.

Applicants may apply at Goodwill Homes Community Services, Inc., 4590 Goodwill Road Memphis, TN 38109, Monday-Friday, 9am-4pm. For additional information, please contact Vallery Young at (901) 789-8355.
